备注: dall-e-3 的优势在于它能从文本描述中理解和转化复杂的概念，以及画风转换。与它进行多次对话后可得到想要的效果。问题：原图片会生成出“像中文字但非中文字”的诗句在角落，有后期使用Adobe Photoshop中的AI功能进行删除。

夕阳西下，断肠人在天涯

绘画工具：dall-e-3

提示词：A traditional Chinese painting on rice paper, capturing the essence of the final line "夕阳西下，断肠人在天涯" from the poem 《天净沙·秋思》. The artwork should depict a breathtaking sunset with mountains and a river, and a silhouette of a solitary figure in ancient Chinese attire standing at the edge of a cliff, gazing into the distance. The style should be a classical ink wash, with soft, muted colors to evoke a sense of longing and solitude.
